RATE CHANGES

We at **Northeast Morgan County Water and Sewer Authority** strive to keep our water rates as low as possible. With the ever changing economy, it has become increasingly difficult to maintain the rates established September 17, 2013. With consideration to this, the following amended rates were established by our **Board of Directors** to be in effect **October 1, 2018**.

First 2,000 gallons or fractions thereof per billing period will be \$23.50
Next 38,000 gallons or fractions thereof is _____\$.67 per hundred
Next 60,000 gallons or fractions thereof is _____\$.51 per hundred
Next 300,000 gallons or fractions thereof is _____\$.42 per hundred
Next 500,000 gallons or fractions thereof is _____\$.37 per hundred
All over 900,000 gallons will be at a bulk rate of _____\$.27 per hundred
All steps plus 4% utility tax

Landlord Service Charges will be \$50.00 effective July 1st, 2010

SHERBROOK PARK RESIDENTS:

The following Sewer rates will be in effect July 1st, 2010 – A Flat Rate of \$30.00 per month.
Also, a charge of \$100.00 will be charged for a blockage service call that is found to be on the customer side.

*****Effective April 8th, 2015 we will conduct a “soft hit” credit check on any individual or company applying for service*****
